WELCOME TO **PLASTEX**

Held under the Patronage of the Ministry of Trade and Industry and supported by the Chamber of Chemical Industries, the Division of Plastics Industries and the Chemical & Fertilizers Exports Council, PLASTEX is the Middle East and North Africa most influential meeting place where leading plastics and rubber companies convene in-person to engage and identify the vast opportunities in the ever-growing MENA markets.

PLASTEX has been the trusted partner of local and international plastics companies and the market entry tool for international brands seeking to establish a footprint in MENA. The exhibition provides opportunities for buyers and sellers to meet, learn, network, do business and discover new products, solutions and technologies from over 500+ exhibiting companies from 50+ participating countries providing a world-class environment for trade across the industry's full value chain.

In 2025, PLASTEX returns for its 20th edition, and we are inviting the global industry to take part in what will be our most vibrant edition yet. By participating in PLASTEX 2025, your company will be plugged into the heart of this rapidly growing regional market, giving you exclusive access to buyers from across the region.

KHALED ABOUL MAKAREM Chairman **Chemical and Fertilizers Export Council**

PLASTEX is the largest event in plastics and rubber in MENA and this year it was bigger than ever before. The Egyptian government has set a goal to enhance the country's exports of plastics and rubber to new markets, specifically targeting the African continent. The plan is to capitalise on the growing demand for these products in the African market and increase the revenue generated from exports. The government is working with local manufacturers to improve the quality of their products and expand their production capabilities, with the aim of establishing Egypt as a leading exporter of plastics and rubber products in Africa.

WHY SPONSOR PLASTEX 2026
